

POSTER GUIDELINES

- The poster language is English.
- The poster should be size A0 and in vertical format (84.1 cm wide × 118.9 cm tall).
- The poster format should be pdf.
- Keep the text and figures as simple as possible and make full use of the space. Make sure to create a vertical poster.
- The content of the poster should be understandable without an oral explanation.
- Be selective when showing results. Present only results that illustrate the main findings of the project.
- The text should be large enough to read from the computer.
- Use colors sparingly. Colors should be used only to emphasize, differentiate and to add interest.
- Results presented in a graph format are effective. Avoid large tables of data.
- The poster should be used as the basis for the short oral presentation.
- The pdf document of the poster should be sent by 23rd October to msanchezmainar@fil-idf.org
